Objectives

A Computer Science Engineering student with practical experience in Java and AI-based projects. Looking for an entry-level role to apply my skills, learn new technologies, and contribute to the success of a growing company.

Education

Sri Vinayagar Matric Higher Secondary School
12th

05/2022
Namakkal, India

Mahendra Engineering College
BE-Computer Science and Engineering

11/2022 – 06/2026
Namakkal, India

Technical Skills

- Programming Languages: Java(Core), Python(Basics),MySQL
- Web Technologies: HTML, CSS
- Tools & Platforms: Salesforce,VSCode, Eclipse

Internship Experience

Internship details: Salesforce Developer Intern(May-June 2024)

Company Name: Salesforce
Duration: 1 month (Internship)

- During my one-month internship at Salesforce, I learned how to use the Salesforce platform to create and manage business applications.
- I built simple web components using Lightning Web Components (LWC), and worked with objects, fields, validation rules, and workflows. I also practiced basic Apex coding and integrated third-party APIs.
- As part of the internship, I contributed to a mini project where we developed a basic CRM system. I collaborated with other interns using GitHub for version control and successfully completed several learning modules on Salesforce.

Projects

Salesforce Project Ready Program

Project: Garage Management System

AI QUESTION PAPER GENERATOR

Tech Used: Python(Flask), Gemini API, NLP, VS Code

I hereby declare that the project titled "AI Question Paper Generator" was developed by me as part of my academic work. This project uses Artificial Intelligence, Python(flask) and Natural Language Processing (NLP) techniques to automatically generate questions based on the provided content, ensuring accuracy and relevance across different difficulty levels.

Certificates

- NPTEL: Programming in Java(2024), IOT(2025)
- Salesforce Certification(2024)
- L&T Certification
- MongoDB Certification

Area of Interest

Fullstack development

Java developer

Declaration

I hereby declare that above furnished details are true to my knowledge.
